

1583 Décors en Kit Eolienne motorisée Model Power train N 1/160

The image shows the packaging for a Model Power Wind Turbine kit. The box features a large illustration of the assembled turbine, which has a dark grey tower, a white nacelle with the word 'NORDE' in red, and three white blades. A smaller version of the turbine is shown on the left. The background of the box art includes faint technical drawings of gears and the turbine's internal components. The 'model power' logo is in the top left corner, and the words 'WIND TURBINE' are printed in large blue letters across the top. A technical drawing of a small component is shown with dimensions: a width of 8.7 inches and a height of 10.2 inches.
